

CAF America

Effective Global Philanthropy

Charities Aid Foundation America (CAF America), a US 501(c)(3) nonprofit founded in 1992, works to change the culture of giving by making it safe, easy and effective for everyone to give globally. Our mission is to help US donors make strategic and focused philanthropic decisions which have a lasting impact on the needs of the global communities they support. CAF America is a member of the CAF International Network, which spans six continents and manages over \$4 billion in charitable funds.

As international giving from the United States has increased, so too has US donors' desires to work with trusted experts in global giving. Whether supporting small nonprofits working in developing countries in Africa, Asia, and Latin America, providing swift responses to major disasters, or helping to maintain connections between global communities, CAF America turns donors' visions into impact. Through partnership with individuals, companies, families, and private and community foundations, CAF America has given more than \$70 million to charitable organizations in over 75 countries around the world since 2001.

CAF America understands that in an increasingly interconnected world US donors are committed to making a difference. In doing so they want choice in how and where they give. US donors also want peace of mind in knowing that their support will have lasting impact. CAF America provides global giving solutions that are flexible and fit with donors' vision. Working with CAF America means benefiting from more than 15 years of international grant making expertise and a high level of personal service. It is assurance that charitable donations are used safely and effectively.

As a member of the CAF International Network, CAF America provides a global perspective - connecting donors with local issues and needs and the nonprofit organizations that address them. Access to trusted expertise via regional CAF offices and a group of international consultants means thorough, timely support and advice is always available.

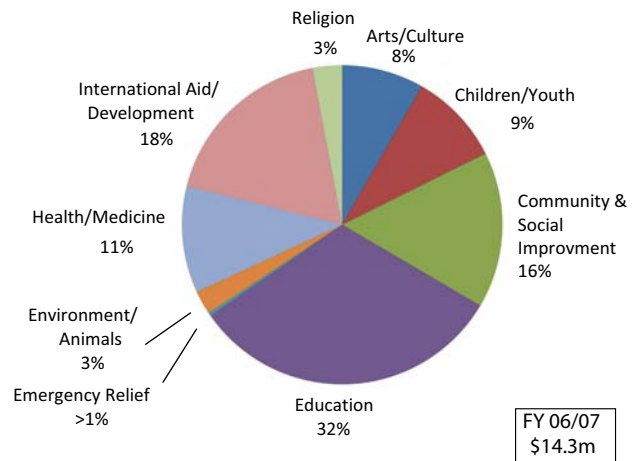

CAF America's solutions eliminate barriers to global giving and facilitate tax effective, cross border gifts. As the bridge between US grant makers and foreign nonprofits, we help donors change the world. From expert advice and analysis about foreign nonprofits and societal issues, to safe and secure international grant making, we are your first choice for global giving.

Global Philanthropic Solutions from Vision to Impact

Single Donor Advised Gift

Single gifts are the perfect solution for US donors who want to give globally without establishing a Fund at CAFAmerica. Single gifts allow individual and foundation donors to make a smaller number of grants, on a schedule or as desired; are a compliment to services provided by professional advisors; and are a resource for companies to support a variety of causes. Donors can make tax effective single contributions to CAFAmerica and recommend that grants be made to foreign nonprofits. CAFAmerica can also recommend a nonprofit that fits a donor's interests and philanthropic goals.

Donor Advised Gifts at CAFAmerica are an excellent way to establish a relationship with a foreign nonprofit, and are the realization of a desire to make a difference.
